

Judicial Interns

say...

"By working in the information booth, I have learned a lot in trying to find answers for others."

John- Fairfield University

"Working in the court allowed me to see first hand how the justice system really works. I gained the practical experience you can't get in the classroom"

Marilyn – Albertus Magnus

"Learning the day-to-day operations of the court and the probation process was very interesting...I feel that I got the bonus internship by getting a taste of everything"

Catherine –
Hofstra University Law School

The Judicial

intern program

The Judicial Branch is pleased to announce that internships are available for college, graduate and law students.

Our internship program allows qualified students to obtain academic credit while also gaining valuable experience in the workforce. We encourage you to participate in this very meaningful program.

Program

requirements

- Interns must be able to work at least one full day per week for at least one semester.
- Interns are placed in September, January and June of each academic year.
- All interns must be interviewed by a representative of the program.
- Interns must participate in the Intern Orientation prior to being placed in a Judicial Branch facility.
- Students must arrange to receive credits by consulting with their college advisors or Internship Director.

eligibility

- College students (preferably seniors and juniors)
- Graduate students
- Law students

qualifications

- Strong communications skills
- Favorable academic average
